SPECIAL GARAGE TOOLS

HAND FORGED

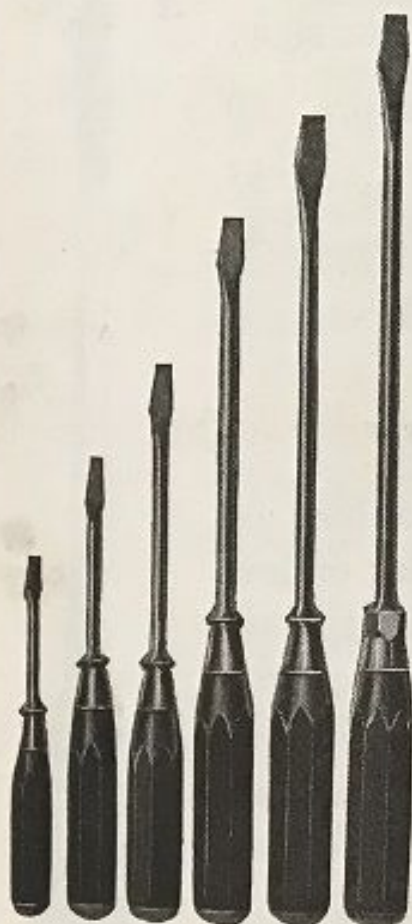

VIM TOOL COMPANY, INC.

507-15 N. 7th Street
MINNEAPOLIS, MINN.

THE KEYSTONE TO
FINE TOOLS

TUFTEST

Screwdrivers

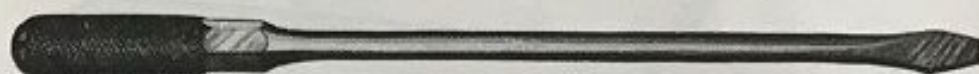

Buy a TufTest Screw Driver. You will find it light and convenient to handle. The quality is unexcelled. A squared tang passes through the handle and is riveted into a forged and hardened cap, and with the sword blade being drawn from one billet of steel making it the TUFTEST Screw Driver you can purchase.
